

Bike Fest Request Form

Bike fest events (also known as Bike Rodeos) provide elementary-aged children the opportunity to learn and practice bike handling and safety skills. Participants visit a variety of stations designed to teach real world skills to prepare them to ride a bike safely. Walk N Roll helps schools and community organizations in Lacey, Olympia, Tumwater and Yelm organize bike fest events by providing a bike fest kit and assisting with planning and implementing events. To request Walk N Roll's support with your bike fest event, complete this form, and send it to Walk N Roll at walknroll@intercitytransit.com.
