

Intercity Transit & Regional Emergency Management

Emily Bergkamp
Director of Operations

Emergency Management Cycle

Emergency Management Cycle

- **Mitigate**
Actions you take before, during, and after to **minimize the impacts** of the emergency.
- **Prepare**
The actions you take **before** an emergency occurs
- **Respond**
The actions you take **during or immediately after** an emergency
- **Recover**
The actions you take after an emergency to **return things back to normal**

- a. Provide transportation resources to transport special needs or isolated populations to shelters as needed.
- b. Provide buses for use as temporary shelters as coordinated with the ECC.

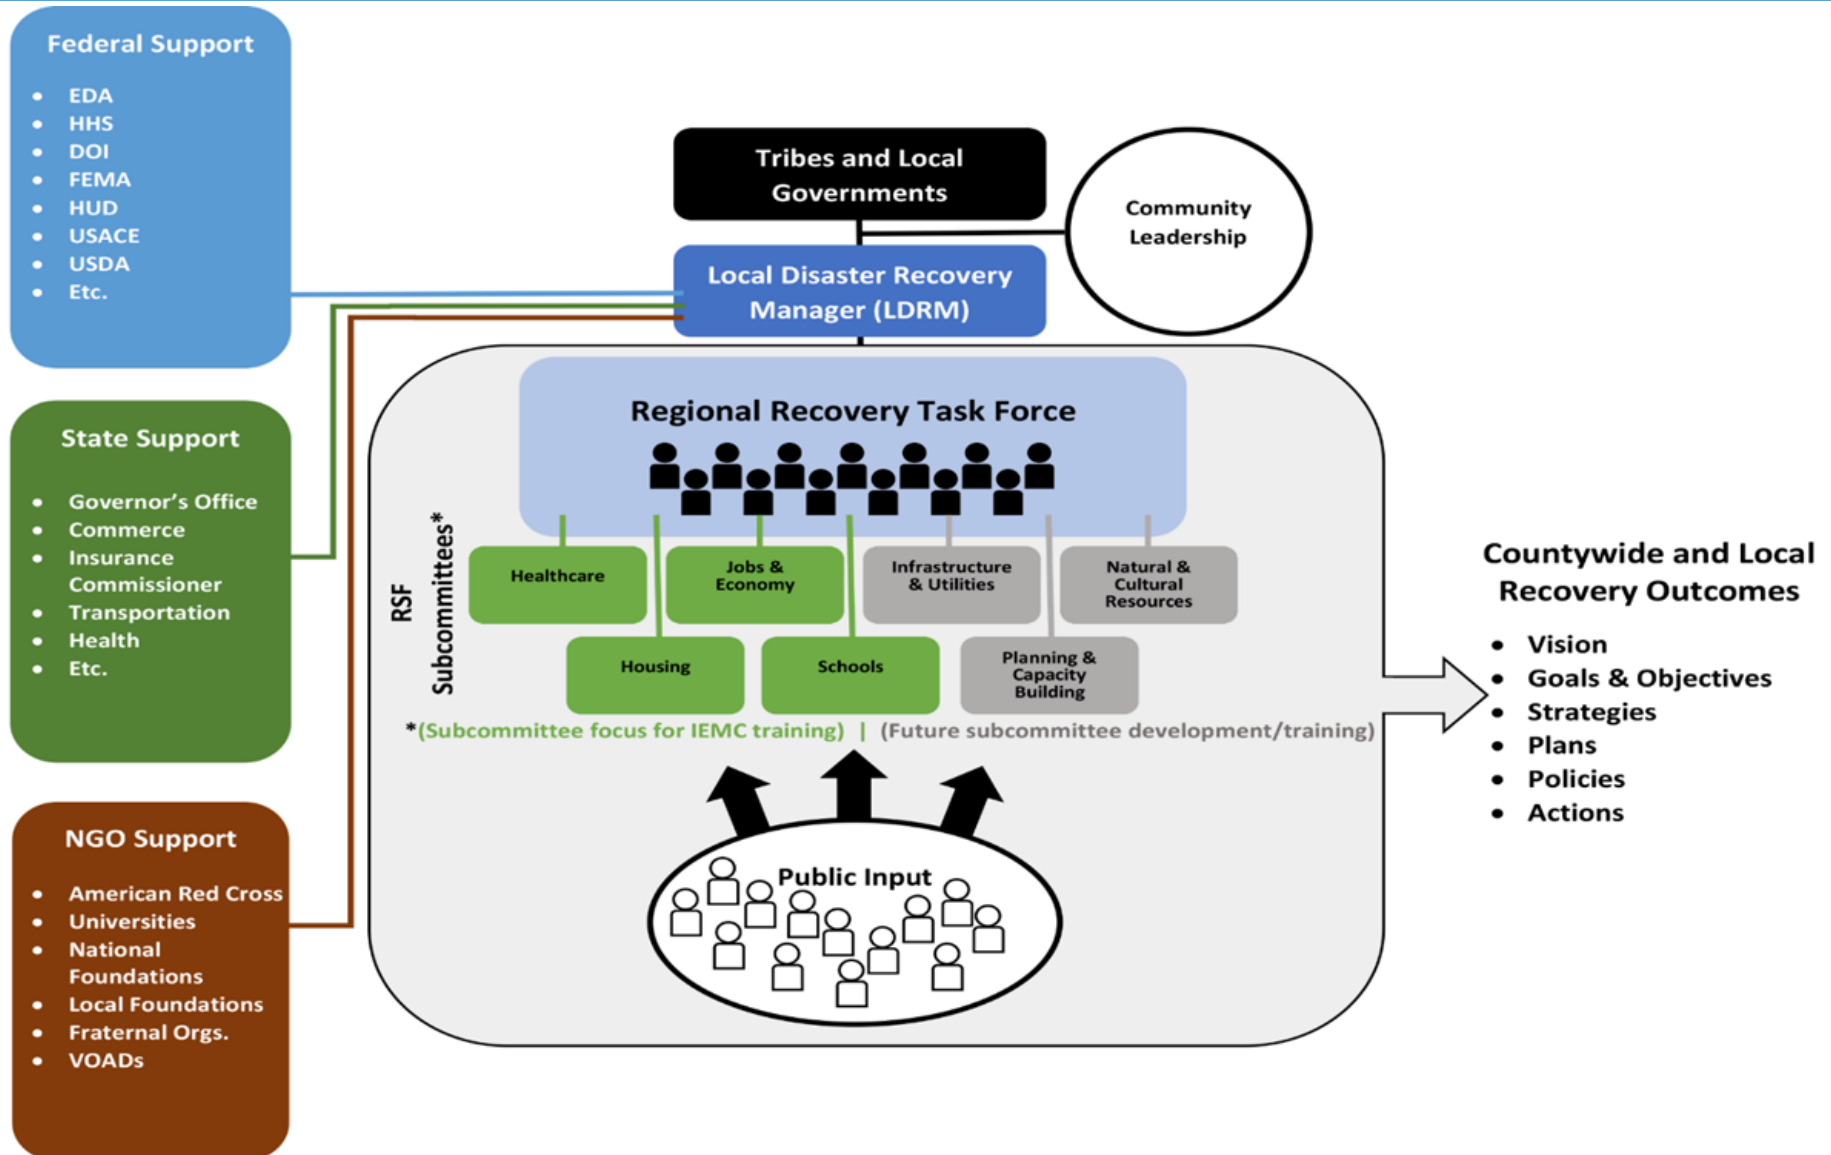

Agency Roles: Recovery

Agency Roles: Recovery

Agency Roles: Recovery

Agency Roles: Recovery

The Regional Recovery Task Force (RRTF)

The RRTF is a multi-jurisdictional committee composed of representatives from each of the incorporated communities in Thurston County including the tribes, county, cities, towns, Intercity Transit, LOTT Clean Water Alliance, Port of Olympia, TCOMM 9-1-1.

Representatives will be appointed by each jurisdiction's governing body. Additional RRTF representatives may be added to address the recovery needs identified by the LDRM and RRTF members. The RRTF representatives will nominate a chair and vice chair to lead the RRTF meetings and proceedings.

The RRTF will convene and provide policy and leadership direction to the LDRM. In addition, the LDRM and RRTF will form and organize Recovery Support Function Subcommittees. The RRTF representatives will champion and help forward new or amended policy and legislative requirements to their respective jurisdictions to facilitate recovery.

Next Steps

- Appoint Intercity Transit General Manager or designee for future service on the Regional Recovery Task Force
- Anticipate a role for Intercity Transit on a Recovery Support Function Subcommittee
- Continued staff attendance at monthly Emergency Management Council meetings
- Continued participation in regional exercises such as the Integrated Emergency Management Course
