CONTRACT CHANGES

2003: IT retains all risk.

Now: Organizations assume risk for their drivers

- Screen and approve drivers
 - Application process
 - Review driving record
 - Ensure continuing eligibility

Reduces IT's exposure to risk (drivers)

- Discontinue driver approvals
- Discontinue driver monitoring

IT retains risk for the vehicle

- Retain right to deny driving privileges

Partners in risk management

RESOLUTION CHANGES

Organizations using the Community Van Program will:

- Provide proof of eligibility
- Assume the risk for their drivers
- Review driving records at least annually

RECOMMENDED ACTION

Adopt Resolution 01-2024 providing clarifying language that organizations using Intercity Transit's Community Van Program will assume the risk for their drivers.
