

## **On-Call Qualified Vendor List**

# Purpose

The QVL will support emerging and on-going projects giving IT the flexibility to bring on professional services through task orders, as needed.

# Benefits / Costs

- **Benefits**

- Gives staff the flexibility to call on a deep bench of professional staff
- Allows for the nimbleness to call on expertise that isn't typically available in-house
- The Authority will benefit by avoiding staffing necessary to support work covered under task orders
- It provides “one-stop shopping” for specialized professional Services

- **Costs**

- Savings by eliminating the need to hire additional temporary staff to support tasks
- Savings by not having the administrative costs of procuring and managing multiple contracts
- Savings by not having to issue extensive requests for proposals (RFPs) for smaller professional services tasks

Consultants have the expertise to provide support with one or more categories of services.
