

NOTICE OF INTENT TO PROCURE
Enterprise Resource Planning (ERP) and Enterprise Asset Management (EAM) Solution
Project Number 2411

Published: May 10, 2024

Intercity Transit (IC Transit), a municipal corporation that provides public transportation in the Olympia, Washington, area, is hereby providing notice of the intent to publish a request for proposal for an Enterprise Resource Planning (ERP) and Enterprise Asset Management (EAM) Software-as-a-Service (SaaS) solution and system implementation/integration services around May 24, 2024.

The solicitation documents containing the scope of work and technical requirements pertaining to this opportunity will be made available online through Washington's Electronic Business Solution (WEBS) located at: <https://pr-webs-vendor.des.wa.gov/>. Solution providers interested in this project are encouraged to register in WEBS to receive notice of the opportunity and download the solicitation documents accordingly. Contact WEBS customer service at (360) 902-7400 or WEBSCustomerService@des.wa.gov if you require assistance with the WEBS registration process.

Intercity Transit point of contact regarding this upcoming opportunity is:
Jeff Peterson, SR Procurement & Project Management Coordinator
Email: jpeterson@intercitytransit.com.
