REQUEST FOR PROPOSALS #2411 Enterprise Resource Planning (ERP) & Enterprise Asset Management (EAM) Business Process Modernization & System Implementation Services

INTERCITY TRANSIT

Intercity Transit, the public transportation provider in Thurston County, Washington, is seeking Proposals from qualified firms interested in providing an enterprise resource planning (ERP) and Enterprise Asset Management (EAM) solution.

Solicitation documents for this opportunity are available online through Washington's Electronic Business Solution (WEBS) located at <https://fortress.wa.gov/ga/webs/>. Proposers are responsible to register in WEBS and download the RFP 2411 solicitation documents in order to receive automatic e-mail notification of any future Addenda.

An optional Pre-Proposal Meeting will be held virtually on June 13, 2024, at 1:00p.m. (PT). Contact Procurement Coordinator for access. Proposals are due no later than July 19, 2024, 1:00p.m. (PT).

Please contact Jeff Peterson, Procurement Coordinator, at jpeterson@intercitytransit.com with questions regarding this solicitation.

Intercity Transit is committed to maximum utilization of minority, women and disadvantaged businesses, veterans, and small businesses. All businesses are encouraged to apply. This project will be funded by local funds.
