

NOTICE OF INTENT TO SOLE SOURCE BRAKEMATE

Published: October 2, 2024

Response Due By: 5:00p.m., October 17, 2024

Intercity Transit (Transit), a municipal corporation that provides public transportation in the Olympia, Washington, area, is seeking to acquire a heavy-duty disc brake tool.

Transit is considering the All Ma Mates BrakeMate® heavy duty vehicle disc brake tool.

Transit is seeking solution providers offering an equivalent product. Transit reserves the right to purchase directly from All Ma Mates should no equivalent solution be discovered at Transit's sole discretion.

Characteristics of an equivalent solution include, but are not limited to:

- Disc brake caliper clamp to install/remove from vehicle
- Rotor/hub assembly clamp to install/remove from vehicle
- Hydraulic adjustable working height
- Table or clamping for rotor to hub removal/install
- Use on Meritor and MAN axles

Transit is seeking a letter of interest from solution providers who offer an equivalent product that provides the features and functionality outlined above.

The letter of interest, along with appropriate literature about the solution considered to be equal, is to be submitted electronically to the attention of Noelle Gordon at ngordon@intercitytransit.com for consideration by **5:00p.m., October 17, 2024**.
