

Walkability Survey

How walkable is your neighborhood?

Go for a walk around your neighborhood and complete this survey to rate your route.
Check all that apply. Children under the age of 10 should walk with an adult.

Where did you walk? _____

1.) Is there room to walk?

- There are sidewalks.
- There are no sidewalks, but the roads aren't busy.
- There are no sidewalks but there is a shoulder.
- The sidewalk is in good condition and clear of objects.

My rating:

2.) How are the drivers?

- Drivers stop for pedestrians.
- Drivers seem alert.
- Drivers drive the speed limit.
- Drivers pass pedestrians safely.

My rating:

3.) Can you safely cross the street?

- There are crosswalks.
- The crosswalks are well marked.
- There are no crosswalks, but the road is safe to cross.
- The sidewalks have ramps for people using wheel-chairs, walkers and strollers.
- There is a sound that tells you when it is safe to cross.

My rating:

4.) Is your walk enjoyable?

- The area is clean.
- There are interesting sights along the way.
- I felt safe.

My rating:

Rate your route overall:

How can your route be improved? _____
